

## Commercial Renovation Permit Application

Application requires review by Building Department staff. Contractors, who are registered online users, can apply online, upload documents, monitor application progress, schedule inspections, and pay fees 24 hours a day / 7 days a week through the [online portal](#).

You will be notified by email of any changes made to your application status.

All information is intended as a guide and may not cover every situation. Additional information may be required dependent on individual project circumstances.

### Type of Work

**Commercial:** Alteration that DOES NOT impact the footprint of the building or add height to the building such as windows, doors, pool resurface, stucco over frame, solar roof shingles, interior demolition, or interior alteration without change of occupancy classification. **For new interior build-out or alteration with change of occupancy classification, see Commercial New Construction.**

### Licensed Professionals

Professionals may only obtain permits for the scope of work in accordance with their license type. Some professionals may be required to name subcontractor(s).

- Building Contractor
- Drywall Contractor
- Garage Door Contractor
- General Contractor
- Glass - Glazing Contractor
- Special Structure Aluminum Contractor
- Storm Shutter Contractor
- Stucco Contractor
- Swimming Pool Commercial Contractor
