

Residential Marine Permit Application

Application requires review by Building Department staff. Contractors, who are registered online users, can apply online, upload documents, monitor application progress, schedule inspections, and pay fees 24 hours a day / 7 days a week through the [online portal](#).

You will be notified by email of any changes made to your application status.

All information is intended as a guide and may not cover every situation. Additional information may be required dependent on individual project circumstances.

Type of Work

Residential: Installation or replacement of docks, seawalls, or boat lifts in manmade bodies of water (canals, drainage easements, and drainage rights-of-way).

Licensed Professionals

Professionals may only obtain permits for the scope of work in accordance with their license type. Some professionals may be required to name subcontractor(s).

All contractors and subcontractors performing marine construction work or working over water must demonstrate having US Longshoreman's and Harbor Workers insurance coverage.

- Building Contractor
- General Contractor
- Marine I Contractor
- Marine II Contractor
- Residential Contractor
- Property owners acting as their own contractor, Owner/Builder, must appear in person
