

## **Residential Mobile Home Installation Permit Application**

Application requires review by Building Department staff. Contractors, who are registered online users, can apply online, upload documents, monitor application progress, schedule inspections, and pay fees 24 hours a day / 7 days a week through the [online portal](#).

You will be notified by email of any changes made to your application status.

All information is intended as a guide and may not cover every situation. Additional information may be required dependent on individual project circumstances.

### **Type of Work**

**Residential:** Installation (set-up) of new or replacement manufactured home. This includes connection of all utilities. Examples: park trailer, mobile home (as defined in Florida Statutes Chapter 320.01).

This permit application does not include site built structures such as carports and sheds.

### **Licensed Professionals**

Professionals may only obtain permits for the scope of work in accordance with their license type. Some professionals may be required to name subcontractor(s).

- Mobile Home Contractor
- Property owners acting as their own contractor, Owner/Builder, must appear in person (must name Mobile Home Subcontractor)
