

Residential Renovation Permit Application

Application requires review by Building Department staff. Contractors, who are registered online users, can apply online, upload documents, monitor application progress, schedule inspections, and pay fees 24 hours a day / 7 days a week through the [online portal](#).

You will be notified by email of any changes made to your application status.

All information is intended as a guide and may not cover every situation. Additional information may be required dependent on individual project circumstances.

Type of Work

Residential: Minor repairs, renovations, or alterations (no additional square footage and not affecting the building footprint or new additional living space). Examples: interior remodel, stucco, and solar roof shingles.

Licensed Professionals

Professionals may only obtain permits for the scope of work in accordance with their license type. Some professionals may be required to name subcontractor(s).

- Building Contractor
- Drywall Contractor
- General Contractor
- Residential Contractor
- Stucco Contractor
- Property owners acting as their own contractor, Owner/Builder, must appear in person
